God is our refuge and strength,  
always ready to help in times of trouble.

So we will not fear when earthquakes come  
and the mountains crumble into the sea.  
Let the oceans roar and foam.  
Let the mountains tremble as the waters surge!

A river brings joy to the city of our God,  
the sacred home of the Most High.  
God dwells in that city; it cannot be destroyed.  
From the very break of day, God will protect it.

The nations are in chaos,  
and their kingdoms crumble!  
God's voice thunders, and the earth melts!

The Lord of Heaven's Armies is here among us;  
the God of Israel is our fortress.  
Come, see the glorious works of the Lord:  
See how he brings destruction upon the world.

He causes wars to end throughout the earth.  
He breaks the bow and snaps the spear;  
he burns the shields with fire.

*"Be still, and know that I am God;*

*I will be honored by every nation.  
I will be honored throughout the world."*

The Lord of Heaven's Armies is here among us;  
the God of Israel is our fortress.

**WALLA WALLA UNIVERSITY** announced Wednesday night, Feb. 26, at a faculty and staff meeting that it will reduce its faculty and staff workforce as part of a broad-based effort to preserve the university's financial position.

The reduction in workforce will be four full-time-equivalent positions by June 30, 2020. Employees impacted will be notified by March 12, 2020. Eleven additional full-time-equivalent positions will not be filled as a result of resignations and retirements.

"This reduction in force is painful for our entire university family," said John McVay, WWU president. "However, as faithful stewards of an institution entrusted to us by our students and alumni, church community, and donors, we must take steps to ensure both the immediate and long-term financial health of the university."
